NOTICE

F.Y. B.Tech. Admissions: 2022-23

It is hereby informed that the candidates, who have already applied or wish to apply to this college for admission to F.Y. B.Tech. programs through the Institute Level Seats (ILS), are required to register themselves and fill the CAP Admission application form on the portal of CET Cell, Maharashtra. This can be done any time during the coming days, when the CET Cell opens up the registration and application process.

After the registration process, candidates will get an exclusive "EN number". They will then have to update their EN number and CET percentile in their respective ILS application form of our institute, using the login on the portal. An intimation to update the above mentioned details will be put up, so that the students can do the needful accordingly. Thereafter, the ILS merit lists will be declared and put up on the college website.

The schedule of display of merit lists and various rounds of admissions under the ILS category will be notified on the college website later, as and when it is finalised. Candidates are advised to look for the details on a regular basis.

Best of luck to all the prospective students!

Dr. Hari Vasudevan
