

Faculty Biodata

Name of Teaching Staff Deepika Dongre
Designation Assistant Professor
Department Computer Engineering

Date of Joining the Institution 05.01.2015

Qualifications with Class/Grade:

1. M.E. (Information Technology specialization in Information Security), First Class with Distinction, DAVV University(M.P.), 2013
2. B.E. (Computer Engineering.), First Class, RGPV University(M.P.), 2010

Total Experience in Years: 7 Years 5 months

Teaching: 07 Years 5 months

- Assistant Professor, D. J. Sanghvi College of Engineering Mumbai, 05.01/15 to till date.
- Assistant Professor, ATC Indore(M.P), 03/07/13 to 31/12/14
- Lecturer, SIMS Indore(M.P), from 16/08/10 to 16/07/11

Courses Taught:

- Python
- Object Oriented Programming(C++, JAVA)
- Structured Programming Approach(C)
- Data Structures
- Database Management System
- Cryptography & System Security
- Distributed Databases

Academic Duties:

- Department level faculty monthly report
- Mentorship
- Part of university paper setting team of System Security(Old Syllabus)
- Part of timetable Committee

Interaction with Professional Institutions:

1. One week IBM Course on Python and Introduction to AIML at MPST from 18Nov-23 Nov 2019.
2. Short term training program “A Comprehensive Introduction to IOT Design” at IIT Bombay 15 July-19 July 2019.

3. Two day Workshop on “Internet of things” held at D.J. Sanghvi College of Engineering from 28th Sept 2018 - 29th Sept 2018.
4. Participated One week STTP on R Programming, Python and Perl held at K J Somaiya Institute of Engineering and Information Technolgy from 2nd Jan 2016 – 7th Jan 2018.
5. Faculty Development program on Information and application Security conducted by JP Morgan Chase on 18th July 2016.
6. Attended a Meetup “Global Cities Team Challenge” sponsored by IBM on 20th Feb 2016.
7. One week STTP on Practical Insights to Cloud Computing held at D.J. Sanghvi College of Engineering from 4th Jan 2016 - 9th Jan 2016.

Publication & Conferences : (Till Date)

Papers presented in International Journal: 01

1. Research Paper “A Review on Edge Based Image Steganography” published in IJRITCC in September 2014 Volume 2 Issue 9.

Papers presented in National Conference: 01

1. Research Paper entitled “Research on Data Security Rationale” presented in National Conference on Innovative Trends in Engineering Science & Management 2014 held on Patel Groups of Institutions Indore.
