Subject: Extract - OB Meeting dated 27th June 2026

To discuss and decide on revising authorization limits for mentors.

The office bearers observed that the sanctioning limits for mentors had been fixed many years ago, without any subsequent revision. They felt that, due to the increasing size of operations and inflation, the limits were required to be increased. With immediate effect, the limits for the mentor for D.J. Sanghvi College of Engineering, Shri Bharat M. Sanghvi, were revised to Rs. 5 lakhs per agenda item. Shri Bapat to place a chart of the institution/school-wise mentors with their corresponding signing limits before the Managing Committee/Office Bearers to decide the limits for the other mentors.
