No.F-2/2024   10th October 2024

F.Y. B.Tech. Admissions 2024-25

(Open & GCLM Categories)

This is with the reference to our advertisement published in various newspapers as well as on our college website on 09th of October 2024, in connection with admission for the vacant seat in the B.Tech. program, Artificial Intelligence and Machine Learning.

All the aspiring candidates, who wish to be considered for the said vacant seat and for any further potential vacancies are required to note that they need not fill the application form again, if their name is already there in the Final merit lists published earlier. The said merit lists are already available on the college website.

Candidates, who have not applied earlier and wish to be considered, will have to make a fresh application.

Best wishes!

Dr. Hari Vasudevan
(Principal)
