NOTICE

F.Y. B.Tech Admissions: 2024-25

(CAP [Open], CAP [GCLM] & Institutional Level) - Vacancy Seats (All)

This is to inform all the aspirants for admission that they can fill the Online Application Form, from 19th August 2024 till the 07th September 2024 and take benefit of participating in various Vacancy Rounds of admissions till the cut-off date of admissions (as per the guidelines given by the CET Cell authorities). **We will be filling-up the vacancy seats in various branches that consist of GCLM category as well as Open category seats.**

Once all the vacancies existing in the 80% seats (51% GCLM & 29% Open) after the 3rd CAP round are received from the CET Cell, the college will operate 2 merit lists, such as, GCLM Category merit list and Open Category merit list (CAP Open Vacancy seats + ILS seats) for carrying out admission during the vacancy rounds.

Vacancy Rounds will open-up additional opportunities for candidates in both the categories. Interested candidates may use this opportunity to apply, instead of regretting later, as the portal will not open-up for applications, once the deadline is over.

Please note:- Candidates, who have already applied earlier for the ILS category, need not apply again in the Open category for vacancy rounds, as their names will automatically appear in the Open category list. However, those who are also interested in being considered in the GCLM category will have to make another application separately, as this merit list will be a separate one for such category (GCLM) seats. If GCLM candidates do not apply, their name will not appear in the GCLM category list.

Best of luck and good wishes to all the prospective students!

Dr. Hari Vasudevan
(Principal)
